FACES of Michigan  
proudly presents a special showing of  
“I’m Not Nuts: Living With Food Allergies”  
at the Main Clinton-Macomb Public Library  
on Thursday, November 6, 2008

We are pleased to announce that our next FACES meeting will be the viewing of a new allergy documentary "I'm Not Nuts: Living With Food Allergies". Special thanks to Audra Hartwig and Kevin Lindenmuth!

The viewing will begin **promptly at 7 pm** (doors will open at 6:45 pm). The documentary is 83 minutes in length.

Please mark your calendars and share this special event with family, friends, school administrators and staff - any one involved with the care of food allergic children!

The Main Clinton-Macomb Library is located at 40900 Romeo Plank Road, Clinton Township, MI 48038. Please allow for extra time in your travel to the MAIN library for this event - there is construction in the area.

(Please use your best judgment if bringing children based on their maturity and ability to sit through a documentary 83 minutes in length. Thank you.)

FACES of Michigan is not a medical or professional organization. It is a group of parents sharing information and supporting each other.
